

Merry Christmas from our house...

...to yours!

Dear

It is with great pleasure that we'd like to tell you that a donation has been made by XXXXXXXX to Hope for Orphans-Congo in honour of you all for Christmas this year.

The gift has been designated to buying a bed, mattress, pillow, and bedding for a child who is waiting to become a part of the "family" at the orphanage.

In December 2010, the first six children came to live at the orphanage. In June 2015 when we were there visiting there were 40 children in the orphanage and more waiting to have a place to call home.

The second dorm is almost completed (the front picture was taken in September). This dorm will have a large multi-purpose room on the main floor as well as a staff member's accommodations and the second floor will have a large room for girls and another large room for smaller boys. The next step is to furnish it with beds/bedding and furniture for the children.

We are "Working together - Making a Difference."

Sincerely,
